

# Weddings and Receptions

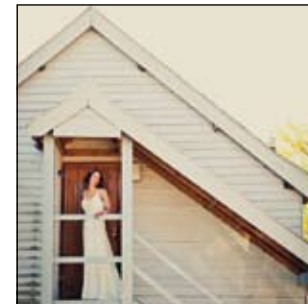

at Wingfield Barns

‘What can we say? We had the most amazing wedding and are blessed with many, many happy memories to take into the future.’

# A Wonderful Venue

Centred on a Grade II listed, timber-framed barn built in 1537, the sympathetically and beautifully restored barns sit well away from the road providing all the seclusion and harmony that you expect from your wedding venue. In the heart of the Waveney Valley, **Wingfield Barns** is a wedding venue with romance, heritage and something very special.

# Exclusivity

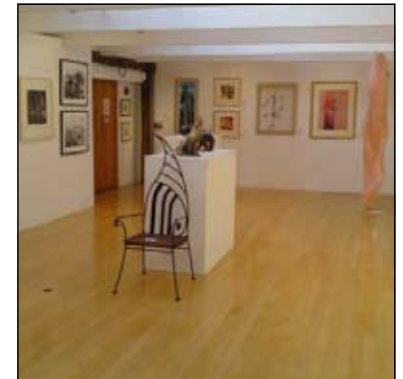

In harmony with this very tranquil village, weddings at **Wingfield Barns** are limited to no more than three each calendar month. The venue will be closed to the public on your wedding day, giving you exclusive use of the historical barns, the open gardens, the contemporary galleries and the private accommodation suite.

‘Thank you so much Wingfield Barns for making our marriage so amazing.’

# Versatility

Inside, **Wingfield Barns** has charm and magnificence and yet remains informal, relaxed and welcoming – the Great Barn with its vaulted ceilings, the galleries with modern maple wood flooring and the main barn areas are all versatile spaces able to accommodate a small, intimate, family wedding or a grand, formal occasion for up to 140 invited guests.

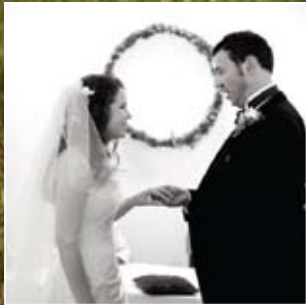

# Attention to Detail

The services of our exclusive wedding coordinator are available to oversee the smooth-running of your wedding from the moment you confirm your booking with us to the end of the wedding day itself, ensuring all aspects of your celebrations live up to your dreams, providing memories to treasure forever.

‘Tom and I would like to thank you for all your help and hard work before, during and after our wonderful wedding at Wingfield Barns. You really did make it a very special occasion for us and our guests.’

‘We’d like to say thank you again for all your help and support with our special day. It was better than we could ever have imagined. We received so many truly amazing comments from all our family and friends about the Barns.’

# Your Wedding, Your Way

**Wingfield Barns** is available for your wedding and / or reception on a venue-hire basis, giving you the freedom to choose your own wedding theme, wedding suppliers and keep control of your budget. We recommend our preferred list of suppliers; wedding experts whose services we have come to know, trust and rely on to deliver against your special and individual expectations.

**Wingfield Barns** can also be hired for ceremony-only occasions, lending itself so perfectly as an alternative to a register office. By booking the venue for half a day, you can enjoy the privacy, the tranquility and the beauty of the Great Barn and gardens, then champagne and canapés after the ceremony, while the photographer captures the magic of the event.

‘We had the most fantastic wedding ever, it surpassed all our expectations. Thank you so much.’

‘The perfect venue for our wedding; informal, beautiful and so versatile. The staff were amazing and we couldn’t have asked for a better way to start our life together – even at our age.’

## Everyone Welcome

We are proud to open the doors of **Wingfield Barns** to all couples, however alternative and whatever religion. We commit to delivering the civil ceremony and reception that you’ve always wanted and promise our unstinting attention to detail, sensitivity and expertise will ensure a day to remember.
