

Wingfield Barns nestles in the Waveney Valley just inside the Suffolk border with Norfolk.

It is a unique venue centred around a beautifully restored timber framed barn, surrounded by studios and galleries. Over the December weekend the Barns transform into a bustle of rural crafts, artisan makers and creators of Christmas gifts, delicious foods at mostly indoor stalls, and festive activity. This is our fourth Christmas Market which continues to grow with new innovations.

On the following pages you will find all the information you need to be part of the fun. If you have any questions please don't hesitate to contact the team here.
